Educational Topics & Training Program

For University & College Directors, Teachers and Parents

Help your students, son or daughter gain an ideal job and position upon graduation much quicker through our proven programs.

Win the Interview - Win the Job

These workshops are designed to assist graduating students to position themselves in the job market, provide key strategies to gain more confidence in the interviewing process to attain the right job.

University and TAFE College Programs - tailored to culture and location specifics.

Rob is qualified to teach in this area with three U.S. degrees, a corporate and business background dating from the early 1980s and experience as an invited teacher and lecturer at Granville TAFE and the University of Wollongong since 2001.

He offers proven tertiary-level programs to teach University and TAFE students how to market themselves with confidence through proven student profiles and an eight-step job interviewing skills program.

30 minute keynote presentation, half-day and full-day workshops.

*CSP - Certified Speaking Professional is the highest International Accreditation awarded by the National Speakers Association. Less than 500 speakers worldwide have earned this qualification—another assurance of quality when considering a keynote speaker, sales trainer or MC.
