

Will YOU be asked to Host, MC or Present at events in 2008?

Industry experts and authors of CD series, 'How to MC Almost Anything' share their skills in public workshops

Whether you are chairing a board or sales meeting, professional development workshop, conference or perhaps emceeing an awards event, with the appropriate skills and knowledge, you can create a smooth and successful event time and time again.

Workshop topics and content:

In this half-day programme, you will learn to master the microphone, keep your event on time, deliver your key objectives and handle challenges, plus

- Eliminate fears associated with stage fright
- Speak with confidence, consistency and clarity
- Engaging your audience
- How to create event momentum
- Working with lighting, cameras and music
- Understand timing and event protocol
- Introductions, thanks you's and goodbyes
- Event coordination and run sheets
- Introductions, thanks you's and goodbyes
- Working with VIP's other speakers or sponsors
- Present your MC image and style appropriately
- Understand the importance of room and stage dynamics
- Represent yourself and your organisation competently
- Appropriate humour and ad libs

Your Workshop Facilitators:

Camille Valvo B.A., ASM

www.emcee.com.au

Camille understands the 'privilege of the platform'. She knows what it takes to really connect and work with audiences through her roles as a corporate master of ceremonies, accredited speaker and facilitator.

2005 MC of the Year and 2006 President of the Sydney Chapter, National Speakers Association of Australia, Camille was recently awarded the Walter Dickman award for service to the professional speaking community

Born in the USA and educated in Japan, her people credentials span 30 years in frontline management and customer service training in the international and domestic retail, hospitality and airline industries.

Currently she is involved in over 90 speaking and MC events throughout Australia, Asia and the USA as well as a mentor to professional speakers at all levels.
