40 Page Workbook Included

How To MC Almost Anything

3 Audio CD Series

with Michael Schoettler, Camille Valvo & Rob Salisbury

Just about everything you need to know about MC'ing including ideas on how to introduce other presenters, stage set up strategies, microphone usage and keeping your event, product launch or conference on time... everytime.

Who will benefit most from this world wide first as an emcee and hosting learning resource?

- CEO's
- Managers
- Human Resource Managers
- Meeting and Event Planners
- Association and Board Members

This educational program includes three audio CDs containing nearly two hours of one to one interviews with well known radio personality Steve Barker and three of Australasia's most sought after MC's plus bonus run sheets and ideas for insuring your success as an emcee or host.
