Key Media

Over the last 10 years, I have worked with in excess of 50 professional MC's at our events and award ceremonies. Working with you has been the most positive experience by far.

You worked WITH us and our event came first - far before your own needs, wants and ego. You kept the (600 delegates) audience involved; they came back from breaks, focused their attention on the program speakers and stayed to the end. A huge achievement over two days.

Rick Curzon, Managing Director,
Key Media, Singapore

North Sydney Chamber of Commerce

Thank you so much for being the Master of Ceremonies of our Melbourne Cup luncheon. We are thrilled with the nearly 200 members and guests in attendance.

I knew it would be a great day. We had a wonderful celebration with our best hat contest; prize drawings and historic third Melbourne Cup win by Makybe Diva.

Wendy Foster, Executive Director
North Sydney Chamber of Commerce Middle Cove NSW

Quorum Publishing

The team at Quorum Publishing thank you for guiding us through the formalities of the evening as our MC and celebrating on the night, the positive direction that our team and our three publications are moving forward with.

The timeless style of the iconic Marble Bar at the Sydney Hilton bubbled with energy from a crowd determined to enjoy the company of industry colleagues, door prizes, plenty of amazing food and drink, and of course, a memorable performance of 'Hey Big Spender'!

Thank you for your outstanding services as Master of Ceremonies at our Institute Achievement Awards. The event was a huge success and is still being enjoyed by the 300 people who attended.

Your performance as MC was entertaining and ensured that the event was of high standard. The use of the balloons in the program had a huge impact and added an element of fun.

Thanks again for making my job of event co-ordinator easy on me.

BDO Chartered Accountants and Advisers

An 11 on a scale of 10... that is what our partners and corporate panel speakers had to say about the fantastic MC work you did for us.

As host Sponsor for the American Chamber of Commerce Breakfast, we needed to ensure the message from our panel of attorneys, partners and accounting experts was delivered in the best forum and setting possible.

The smooth opening, and the way you introduced our company advertising message into the program, added to the flair and enthusiasm 230 guests needed first thing in the morning.

Rob, we were confident of a good result, but you exceeded our expectations.

Sonia Adams, Marketing Manager
BDO Chartered Accountants and Advisers

Freeman Fox

Rob, the reports came in while I was overseas - thank you for setting the tone for our large-scale events in Melbourne and Sydney.

I would not have trusted the importance of the opening of our event, with over 1900 people in Melbourne and 2200 in Sydney, to an amateur.
