

20 September 2011

This letter serves to thank Rob Salisbury CSP for his service to Asia Professional Speakers Singapore (APSS) as a member of the Executive Committee from July 2010 to July 2011.

Rob was always eager to offer advice and feedback on events and contributed suggestions at Executive Committee meetings, as well as always being willing to help and advise those who sought or chose to become a Certified Professional Speaker (CSP).

At the Annual Convention in May 2011, Rob helped collect over \$3000 for our nominated charity, Operation Smile, by proactively responding to a member suggestion during the event and then taking it upon himself to get other members to pledge or contribute to the charity collection.

Rob was also instrumental in bringing Tom Hopkins CPAE to Singapore and to a special private APSS meeting in June 2011 where APSS members and guests could meet and hear from Tom. That particular event delivered a significant surplus to APSS, and for that we are also grateful.

On behalf of the APSS members and the 2010-2011 Executive Committee, I would like to extend my thanks to Rob Salisbury CSP for his service to the association and to me during my year as association President.

Speak with you soon,
